

# Benett, How Do You Say Goodbye?

our time has come.....i've seen the lite  
what we have done.....is just not rite  
you turn away, then you say you're mine  
and i've been laening on you far too long a time  
what can I say, i'm a little afraid  
of this change of heart  
maybe i've grown or maybe i'm sick  
of feeling torn apart  
I don't know what it is  
that can save your life  
but you can go find yourself another place to hide  
chorus.....  
how do you say goodbye  
to a love that's been broken a thousand times  
i've tried to see the love in your eyes  
how do you say goodbye  
oh love that's been broken a thousand times  
I can't see the love in the lite  
I don't konw how, but it seems by now  
if we can't break thru  
you're so strange and i'm wondering if  
I even know you  
you never loose, so I never win  
and i'm thinkin' that I just better sink or swim  
chorus.....
