

Benjamin Kim, Baby I'm Missing You

I'm writing you, a love song,
So sweet that my tears start coming down...
But some how, I can't go on,
It's just that we can no longer see you around...
If I had, to make me one more wish,
It be for you to come back to me once again...
Now it's all too late, but I just can't quit,
It doesn't seem like what I can comprehend...

It's too late, my baby...
I'm lost with, my baby...
Where is, my baby,
All I can say, is that she's in my memory...

Baby I'm missing you...
Baby I'm missing you...
Baby I'm missing,
You were the one, that got me all filled up inside...
Baby I'm missing you...
Baby I'm missing you...
Baby I'm missing,
You were the one, that I could talk to late at night...

It's so bad, that we lost you girl,
You meant everything to me in my own world...
How can I, just keep going on,
Guess it's like how it used to be all night long...
And how I, kept thinking to myself,
That the most important thing in my life had no help...
The bridge ain't burned, but it sure has gone,
However the things ended up really strong...

It's too late, my baby...
I'm lost with, my baby...
Where is, my baby,
All I can say, is that she's in my memory...

Baby I'm missing you...
Baby I'm missing you...
Baby I'm missing,
You were the one, that got me all filled up inside...
Baby I'm missing you...
Baby I'm missing you...
Baby I'm missing,
You were the one, that I could talk to late at night...

No more...
The pain inside is killing me,
No body else can do the same...

It's too late, my baby...
I'm lost with, my baby...
Where is, my baby,
All I can say, is that she's in my memory...

Baby I'm missing you...
Baby I'm missing you...
Baby I'm missing,
You were the one, that got me all filled up inside...
Baby I'm missing you...
Baby I'm missing you...
Baby I'm missing,
You were the one, that I could talk to late at night...
