

Benni Hemm Hemm, Beygja Og Beygja

Lnur, lnur sem skera lnur,
lnur sem eru skornar og samtengdar, bogadregnar,
skiptir a mli nvgi?
beygja og beygja, beygja og beygja
allt er auvelt eftir, en g veit ekki hvar g er.
Hnitaneit, g veit g get
opna, opna og skili ig,
n skil g ig,
slig, bil n mig.

Villurfandi maur tnist,
tnist hverju horni og finnur sig ekki aftur,
beygir og beygir og veit ekki hvar hann er
allt er auvelt eftir, allt er auvelt eftir.
Hnitaneit, ert opin b&#oacute;k, opin b&#oacute;k
og n skil g ig, n skil g ig,
slig, bil n mig

Lines, lines that cross lines
lines that are cut and connected, bowed
does it matter up close?
turn and turn, turn and turn
all's easy afterwards, but I don't know where I am
Net of bets, I know I can
open, open you up and understand you.
Now I understand you,
flow my thunderland through.

A wandering man gets lost
gets lost at every corner and can't find himself again,
turns and turns and doesn't know where he is
all's easy afterwards, all's easy afterwards.
Net of bets, you're an open book, open book
and now I understand you, now I understand you,
flow my thunderland through.
