

Benni Hemm Hemm, Labbi

Yfir himin undir l´undir himin yfir
s´l er s´l er ti
ti og hvar sem ert
hvar sem ert er s´l.

t gari slt g str
slt og bt , bt
legg mig niur og anda
anda a mr nu lofti.
Hvar sem ert
hvar sem ert.
</lyrics>

==English Translation==

</lyrics>
Over the sky under the fluff
under the sky, over
the sun is the sun is out
out and wherever you are,
wherever you are there is the sun.

In the garden I pick a straw,
pick it and bite it, bite it
I lie down and breathe,
breathe your air.
Wherever you are,
wherever you are.
