Og við hláum eins og rigning

hlst fast um ristilinn  
við emjuum af glei  
sáttar drpu gluggann  
a var kominn morgunn

Og við hláum eins og rigning

og við hláum eins og rigning  
og við hláum eins og rigning

==English Translation==

&lt;/lyrics&gt;  
You bit my chin  
your teeth wet and soft  
like sucarcubes dipped in coffee  
dipped in rain

And we laughed like rain  
and we laughed like rain

They bit our ankles lightly  
the midgetbirds with minds of lust  
feathered blanket titmice, bluebirds  
bit our ankles, and we flew

And we laughed like rain  
and we laughed like rain

You held your tummy tight  
we screamed with joy  
sunbeams knocked on the window  
it was morning  
it was morning

And we laughed like rain  
and we laughed like rain  
and we laughed like rain  
and we laughed like rain
