Vi fårum yfir frosinn mosamåa
og raua runna
raua runna, raua runna

Vi fårum yfir gula heyhåla
svo snrum vi vi
snrum vi vi, snrum vi vi

skein sål heyhåla
skein sål heyhåla

âlyricsâ
We went over frozen moss moe
and red bushes
red bushes, red bushes

We went over yellow grass hills
and then we went back home
we went back home, we went back home

Then there was the sun on yellow grass hills
then there was the sun on yellow grass hills
