&#/lyrics&#gt;  
Out in the middle of the sea  
out in the middle of the sea  
I want to build a road here  
I want to build a road here  
I want a road  
I want a road  
I want a road here

Mere far about this chance  
there are short distances  
I want to build a bridge here  
I want to build a bridge here  
I want a bridge  
I want a bridge  
I want a bridge here
