

Bennie K., Tabibito

Hade na ishou sutete
Kanaderu uta utai
Tatoe soko ni kimi hitori shika inakutemo
Tamashii no koe sotto katarikakete
Oh... Kokoro ni tomosu
Tada hateshinaku tooi michinori nando mo furikaeri kimi wo sagasu
"iu hodo kitto tadashiku mo nai" to yodanda me namida nagasu
Oh god douka yuuki wo kudasai
Kodoku to tatakai kouya wo sasurai koko made kimashita
Kono me ni utsushita yorokobi kanashimi nikushimi
As I make love to my mic you'll see
Subete sasage ai shita music
Days & night furasshubakku ukanda shiin
Kai ma mikizanda beat
I've seen the darkest side of me
Tashika ni ita sonzai wo shinji
Hitasura mata itazura ni sugisatta hibi torimodosu tabi
Hade na ishou sutete
Tabidatsu uta utai
Tatoe sore ga kodoku na tabiji to narou to
Taiyou no you ni sotto tsutsumikonde
Oh... Kokoro ni kizamu
We don't need no words right now
Let's leave every thing to music...
Yubisaki kara tsumasaki made
Neiro to iu veeru ayatsuru you ni
Sono karada ni shintou sasete yeah...
Kokoro ubaisatte
Hade na ishou sutete
Kanaderu uta utai
Tatoe soko ni kimi hitori shika inakutemo
Tamashii no koe sotto katarikakete
Oh... Kokoro ni tomosu
I got the key though there is no keyhole
Agari shizumu mainichi ga shiisoo
What is this then kyou wa mada ii hou?
People we know need a hero
Taema naku oshiyoseru shousoukan
Now or never nante joukyouga
Still got love for it but not the same
Sagashidashite way to understand game
Soon we'll be free to fly
So keep believe in your way
Believe and believe in your way
Now let me see your belly dance
Hade na ishou sutete
Tabidatsu uta utai
Tatoe sore ga kodoku na tabiji to narou to
Taiyou no you ni sotto tsutsumikonde
Oh... Kokoro ni kizamu
I threw the dress away
And found another way
Cuz, there lay too many lies...
But I'll never be defeated
And I'll find my brightest day
So keep believing your way
