

Benny Benassi, Hit My Heart

Are you gonna hit my heart?
Are you gonna leave me once again?
Baby, don't you hit my heart..

Are you gonna break my heart?
Are you gonna make me cry again?
Baby, don't you break my heart..

Hey boy, it's not a game,
You are the one to blame,
My love is not your toy,
You better be careful boy..

You told a million lies to me,
One day you say goodbye baby,
I gave you one more chance,
So please tell me baby..

Are you gonna hit my heart?
Are you gonna leave me once again?
Baby, don't you hit my heart..

Are you gonna break my heart?
Are you gonna make me cry again?
Baby, don't you break my heart..
