

# Benny Benassi, Shooting Helicopters (feat. Serj T

Now tell me that you need me  
That you want me  
That I'd love for you to know  
Today we fall in love again

Electric dreams are empty  
People plenty, and their voices ever born  
Today we fall in love again

Now tell me that you need me  
That you want me  
That you'd love for me to know  
Today we fall in love again, again, again, again

Please don't leave me  
Stay with our true love

Now tell me that you need me  
That you want me  
That you'd love for me to know  
Today we fall in love again

Bright lights elevation  
Constellations raining down from far above  
Today we fall in love again

Tell me that you need me  
That you want me  
That you'd love for me to know  
Today we fall in love again, again, again, again
