

Benny Benassi, Stop Go

Stop go back forward
Come further take it slow
Stop go back forward
Come further take it slow
Maybe if you make it in time
You must just be mine
Make a move and throw me a line
Come and make me shine, fine
Fine, fine
Stop go forward back go - forward
Come further take it slow
Move your ass as you know stop go
Take it
Maybe if you make it in time
You must just be mine
Make a move and throw me a line
Come and make me shine, fine
Fine, fine
La La La La La La La La
Stop go back forward
Come further take it slow
Stop go back forward
Come further take it slow
Maybe if you make it in time
You must just be mine
Make a move and throw me a line
Come and make me shine, fine
Fine, fine
Maybe if you make it in time
You must just be mine
Make a move and throw me a line
Come and make me shine, fine
Fine, fine
Stop go back forward
Come further take it slow
Stop go back forward
Come further take it slow
La La La La La La La La
