

# benny blanco & Calvin Harris, I Found You

i cannot say what i'm feeling  
if I don't know how to move  
I cannot say what I believe in  
I finally believe in you  
I traveled many roads  
and I know what road to choose  
now my world is never changing  
there's anything I can do

cause I found you  
I found you  
cause I found you  
I found you  
cause I found you  
I found you

i cannot say what i'm feeling  
if I don't know how to move  
I cannot say what I believe in  
I finally believe in you  
I traveled many roads  
and I know what road to choose  
now my world is never changing  
there's anything I can do

cause I found you  
I found you  
cause I found you  
I found you  
cause I found you  
I found you

I found you  
I found you  
I found you  
I found you  
I found you  
I found you  
I found you

cause I found you  
I found you  
cause I found you  
I found you  
cause I found you  
I found you
