

# Benny Blanco, Halsey & Khalid, Eastside

when i was young, i fell in love  
we used to hold hands  
man, that was enough  
then we grew up  
starting to watch  
used to kiss underneath the light on the back of the bus  
oh no, your daddy didn't like me much  
and he didn't believe me when I said you were the one  
oh, every day she found a way out of the window to sneak out late

she used to meet me on the Eastside  
in the city where the sun don't set  
and every day you know that we ride  
though the backstreets in a blue Corvette  
baby, you know I just wanna leave tonight  
we can go anywhere we want  
drive down to the coast  
jump in the seat  
just take my hand and come with me

we can do anything if we put our minds to it  
take your whole life then you put a line through it  
my love is yours if you willing to take it  
give me your heart cause I'm not gonna break it  
so come on, starting today  
start a new life, together in a different place  
we know the love is how these ideas came to be  
so baby, run away with me

17 and we got a dream to have a family  
a house nad everything in between  
and then, suddenly we turned 23  
now we got pressure to taking our life more seriously  
we got our dead-end jobs and got bills to pay  
have old friends and know our enemies  
now I am thinking back to when I was young  
back to the day when I was falling in love

he used to meet me on the Eastside  
in the city where the sun don't set  
and every day you know that we ride  
though the backstreets in a blue Corvette  
baby, you know I just wanna leave tonight  
we can go anywhere we want  
drive down to the coast  
jump in the seat  
just take my hand and come with me  
singing

we can do anything if we put our minds to it  
take your whole life then you put a line through it  
my love is yours if you willing to take it  
give me your heart cause I'm not gonna break it  
so come on, starting today  
start a new life, together in a different place  
we know the love is how these ideas came to be  
so baby, run away with me
