

Benny Goodman, This Cant Be Lovebg

THIS YEAR'S KISSES

Benny Goodman

(Irving Berlin)

This year's crop of kisses

Don't seem as sweet to me

This year's crop just misses

What kisses used to be

This year's new romance

Doesn't seem to have a chance

Even helped by Mr. Moon above

This year's crop of kisses is not for me

For I'm still wearin' last year's love
