

Benny Mardones, Into The Night

She's just sixteen years old
leave her alone, they say,
Separated by fools
who don't know what love is yet,
but i want you to know

If i could fly
I'd pick you up
I'd take you into the night
and show you a love
like you've never seen, ever seen

It's like having a dream
where nobody has a heart,
It's like having it all
and watching it fall apart
and I would wait till the end
of time for you
and do it again, it's true
I can't measure my love
there's nothing to compare it to
but I want you to know

If i could fly
I'd pick you up
I'd take you into the night
and show you a love

I'd pick you up
I'd take you into the night
and show you a love
like you've never seen, ever seen

Oh(x8)

If i could fly
I'd pick you up
I'd take you into the night
and show you a love

If i could fly, i'd pick you up,
And take you into the night

Oh

If i could fly, i'd pick you up
And into the night

Oh(x2)

I'd pick you up
