

Bent, I Think Of You (While I Should Be Working)

You're the best thing that's ever happened to me.

I really, really luv ye.

Oh, I luv yuu.

I love you so much.

I couldn't believe it when I first saw you.

I never want you to leave me.

I saw your eyes trinkling away.

Looking at me, really, really nicely and... it's lovely.

And it, uh..

I can't.. I can't begin to say how much I love you.

Whenever I'm at work I'm always thinking about you.

I always take time out to think about you when I should be working
