Is it my fault?  
Am I the reason you're gone?  
Michael,  
is this where you run?  
Is it my fault?

Expect one thing from you and you fail  
Time flies when you're having fun  
but my clock stopped when my hand dropped from yours  
and you were gone.

Michael,  
is this where you run?  
Is it my fault?  
Am I the reason you're gone?  
Michael,  
is this where you run?  
Is it my fault?

Expect one thing from you,  
Expect one thing from you,  
Expect one thing from you,  
the time you stole
