

# Beres Hammond, Can't Get Enough

oooh this is heaven  
believe me its heaven  
oh its heaven  
First let me explain that I'm glad  
how things worked out...  
for once I feel security and I know  
what I'm all about

Chorus

I can't get enough babe, can't get enough  
I can't get enough of you, can't get enough  
Of all the girls I've had before  
There's none that can compare  
a lot of them have been real wonderful  
but I've never, ever been so near

Chorus

ooohoye  
If I want to describe you  
the only book I can turn to  
is the songs of solomon  
`cause in its pages is where you belong  
you're the sweet rose of sharon  
lillys of cameron, your the  
rock of gibraltar, the stormy morning after

Chorus

hook

Hey baby lets sail on, sail on  
in a little bitty love boat  
Lets row on row on  
in a little bitty love boat  
First let me explain that I am glad how things worked  
out for once I feel security and I know what I'm all about

Chorus

oooh this is heaven, beleive me its heaven  
If I wanna describe you, the only book I can turn to  
is the songs of solomon, cause in its pages is where  
you belong, you're the essence of cinnamon,  
smooth as oil of olay ,crisp as my breakfast cereal, home sweet  
home material

Chorus

Repeat hook

Can't get enough baby, can't get enough of you  
can't get enough (to fade)
