

# Bering Strait, What Is It About You

My lips and my mouth are as dry as the dust, My heart thunders in my head

So loud that it drowns out the sounds of our voices, And I can't heard a word being said;  
Dazed and confused, like I'm in an illusion, Livin' outside of time  
Like my arms and my hands and the skin on my fingers Are somebody else's not mine.

CHO: What is it about you? I can't control the hunger;  
What is it about you? And the spell you've got me under.  
As desire washes over me like water, oh I wonder  
What is it about you? What is it about you?

There's no explanation, I'm helpless when I Just imagine you touching me  
And when I fantasize I see me in your eyes, And I swear it's reality;  
All I've go to do is think about you, And the blood rushes through my veins  
You're my only addiction - the need to be with you Is driving me insane.

(Repeat Chorus)

Oh, I don't know if it's love, Or if it's obsession  
But it's something - It's something

(Repeat Chorus)

What is it about you?  
My lips and my mouth are as dry as the dust, My heart thunders in my head.
