

# Berlin, You don`t know

We cross the street  
You hold my hand  
Afraid to let go  
And if I walked away  
And left you there  
Would you know why  
You are the answer now  
You don't know  
You can be everything  
You don't know  
You won't believe it now  
You don't know anymore  
You are the reason and the rhyme  
We walk into your room  
A mirror's caught your reflection  
You walk away and call to me  
To fill in the frame  
You are the only one  
You don't know  
You are the fire of love  
You don't know  
You can believe it now  
You don't know anymore  
You are the reason and the rhyme  
I walk this road  
You follow me  
I don't know why  
And if I walked away  
And left you there  
Would you know why?
