

# Berman, For Days Upon Time

for days upon time for days upon time, we could walk together, breathe together, for days upon time  
but sometimes you get caught in yourself, and sometimes you put Me back on the shelf, and some  
child come home, leave yourself, rest in Me, and leave yourself,  
for days upon time, you could always love Me, you could love Me, for days upon time, you could tru  
but sometimes you get caught in yourself, and sometimes you put Me back on the shelf, and some  
child come home
