

Bernadette Peters, He's Got A Way

he's got a way about him
I don't know what it is
But I know that I can't live without him
he's got a way of pleasin'
I don't know why it is
But there doesn't have to be a reason anyway

he's got a smile that heals me
I don't know what it is
But I have to laugh when he reveals me
he's got a way of talkin'
I don't know why it is
But it lifts me up when we are walkin' anywhere

he comes to me when I'm feelin' down
Inspires me without a sound
he touches me and I get turned around
he's got a way of showin'
How I make him feel
And I find the strength to keep on goin'
he's got a light around him
And everywhere he goes
A million dreams of love surround him everywhere

he comes to me when I'm feelin' down
Inspires me without a sound
he touches me
I get turned around

he's got a smile that heals me
I don't know why it is
But I have to laugh when he reveals me
he's got a way about him
I don't know what it is
But I know that I can't live without him anyway
