

Bertine Zetlitz, Rollerskating

(Chorus)

If you take me out rollerskatin'
I know everything will be fine
Hungry girls are so fascinatin'
Kiss me once and I'll show you mine

...

If you take me out rollerskatin'
I'll forget what I came here for
Rainy days are so devastatin'
Baby make me go rollerskatin'

Chorus

If you take me out rollerskatin'
I can't move like this forever
Hungry girls are so fascinating
Trust your lips and skate together

If you take me out rollerskatin'
I can't move like this forever
Rainy days are so devastatin'
Trust your lips and skate together

(Don't stop, don't stop
Ah ah ah ah
Come on baby, come on baby
Heheheh, whoa!
Come on, shake it down with me, ah)

If you take me out rollerskatin'
I know everything will be fine
I get tired of smilin', waitin'
Yeah, I'd rather go rollerskatin'

So, if you take me out rollerskatin'
I will make all your dreams come true
There's no pain so excruciatin'
It won't help to go rollerskatin'

(Ow ow ow oow wo ow
Yeah, is there, is there
a doctor in the house, house, house)
