

# Beseech, Friend emptiness

One day I woke up to the light from the sun  
I thought the night ghost were all gone  
Felt that things weren't like they used to be  
Waking with anxiety by my side  
My heart, my souls everything's gone  
Everything is gone  
My heart, my souls everything's gone  
Everything is gone  
Even the sun cannot light up this day  
Everything seems to be without colours  
Silence was the only thing I heard  
Wanted to go back again  
My heart, my souls everything's gone  
Everything is gone  
My heart, my souls everything's gone  
Everything is gone  
My heart, my souls everything's gone  
Everything is gone  
My heart, my souls everything's gone  
Everything is gone
