Beseech, Little Demonchild

Can you feel the wind blow, closer day by day Blowing with a motion, for a brand new day Demonchild, why have you been gone Do you still miss, miss your family Oh, I'll bet it hurts to loose so much Can you feel the wind blow, closer day by day Blowing with a motion, for a brand new day Demonchild, what have you been through I can still hear, hear you crying So you better find a cure Can you feel the wind blow, closer day by day Blowing with a motion, for a brand new day
