

# Bessie Smith, Baby won't you please come home

I've got the blues, I feel so lonely  
I'll give the world if I could only  
Make you understand  
It surely would be grand  
I'm gonna telephone my baby  
Ask him won't you please come home  
'Cause when you're gone, I'm worried all day long  
Baby won't you please come home  
Baby won't you please come home  
I have tried in vain  
Ever more to call your name  
When you left you broke my heart  
That will never make us part  
Every hour in the day  
You will hear me say  
Baby won't you please come home, I mean  
Baby won't you please come home  
Baby won't you please come home  
Cause your mama's all alone  
I have tried in vain  
Never more to call your name  
When you left you broke my heart  
That will never make us part  
Landlord gettin' worse, I've got to move May the first  
Baby won't you please come home, I need money  
Baby won't you please come home
