

Best Coast, Our Deal

When you leave me
The bed is empty
And i feel crazy
Cos i didnt say anything
I wish you would tell me
How you really feel
But youll never tell me
Cos thats not our deal
When you leave me
You take away everything
You take all my money
You take all my weed
I wish you would tell me
How you really feel
But youll never tell me
Cos thats not our deal
I wish you would tell me
How you really feel
But youll never tell me
Cos thats not our deal
Thats your deal
