

# Best Coast, When The Sun Don't Shine

I just want to tell you, that I've always loved you

I just want to tell you, that I've always loved you

Oooo

I just want to tell you, that I've always missed you

I just want to tell you, that I've always missed you

Oooo

When the sun don't shine, you aren't mine

When the sun don't shine, you aren't mine, mine, mine

Oooo
