

Beth Crowley, All I know

I've been burned too many times,
I've made mistakes, but God knows I tried.
Now I think I've got it right with you.

I can't say that I'm not scared,
I'm terrified of how much I care.
But I don't want to be anywhere but here with you.

Who can say what tomorrow holds?
Where i'll end up if i take this road?
People come and people go,
I love you and that's all I know.

You've trusted your heart to me,
I've guarded mine so carefully,
but the time has come to set it free for you.

And I wish I knew how long we'll have.
It's like you blink and so much time has passed.
But at the end when my heart beats its last I'll still want you.

Who can say what tomorrow holds?
Where i'll end up if i take this road?
People come and people go,
I love you and that's all I know.

Who can say what tomorrow holds?
Where i'll end up if i take this road?
People come and people go,
I love you and that's all I know.
I love you and that's all I need to know.
