

Beth Hart & Joe Bonamassa, Them There Eyes

I fell in love with you the first time I looked into
Them there eyes
And you have a certain little cute way of flirtin
With them there eyes
That make me feel so happy
That make me feel so blue
I?m fallin love strung
In a big big way for you
My heart is jumpin, you started something
With them there eyes
You better look out, little brown eyes if you?re right
This spark will make bubble
They gonna get you in a whole lot of trouble
Hah, I?m ready
Them there eyes
I fell in love with you the first time I looked into
And you have a certain little cute way of flirtin
That make me feel so happy
That make me feel so blue
I?m fallin love strung
In a big big way for you
My heart is jumpin, you started something
With them there eyes
You better look out, little brown eyes if you?re right
Sparkle, bubble
I?ll get you in a whole lot of trouble
I?m lookin for before I would do this for life
I fell in love with them there eyes
