

Beth Rowley, I Shall Be Released

They say that everything can be replaced
Yet every distance is not near
Yet I remember every face
Of every man that put me here

I see my light come shining
From the west unto the east
Any day now any day now
I shall be released

They say that every man needs protection
They say that every man must fall
Yet I swear I see my reflection
Some place so high above this wall

I see my light come shining
From the west unto the east
Any day now any day now
I shall be released

Standing next to me in this lonely crowd
I see a man who swears he's not to blame
All day long I hear him crying alone
Saying that he's been framed

I see my light come shining
From the west unto the east
Any day now any day now
I shall be released
