

# Bethany Joy Lenz, Feel this

It's gotta be this one,  
You don't have to fake it  
You know I can take it  
What if I told you your tears haven't been ignored  
And everything that's taken can be restored  
Ref.  
Feel this  
Can you feel this  
My heart's beating out of my chest  
Feel this  
Can you feel this  
Salvation, under my breast  
It's gotta be disguised  
Soul and script  
Caught in the mirror  
What if I told you that innocence is yours  
And the beauty you have now is brighter than before  
Before  
Ref.  
Feel this.  
Can you feel this  
My heart's beating out of my chest  
Feel this  
Can you feel this  
Salvation, under my breast  
Ah-ah-ah-ah, ah-ah-ah-ah-ah, ah-ah-ah-ah-ah  
Ah-ah-ah-ah, ah-ah-ah-ah-ah, ah-ah-ah-ah-ah  
Let go, let go, let go, let go, let go, let go, let go
