

Bethany Joy Lenz & Grace Potter, I Want Something

I'm a girl with the best intentions
Something I should probably mention
I like to get just what I paid for
So I pay and I get and I pay and I want some more, more, more
And I want something that I want
Something that I tell myself I need
Something that I want
I need everything I see
I'm a girl who's got a notion
I'm not gonna show you my magic potion
I could shop till I drop right to the floor
And I get right up and I want some more, more, more
And I want something that I want
Something that I tell myself I need
Something that I want
I need everything I see, everything I see

oh oh oh ohhhh
Something that I want
Something that I tell myself I need
Something that I want
I need everything I see
Something that I want
Something that I tell myself I need
Something that I want
I need everything I see
