

# Bette Midler, In My Life

"It's Christmas time. Gonna sing a little song for you."

There are places I remember  
all my life, though some have changed.  
Some forever, not for better.  
And some have gone, and some remain.

All these places have their moments  
with lovers and friends I still can't recall.  
Some are dead and some are living.  
In my life I love them all.

But of all these friends and lovers,  
there is no one compares with you.  
And these memories lose their meaning  
when I think of love as something new.

Though I know I'll never ever lose affection  
for people and things that went before,  
I know I'll often stop and think about them.  
In my life I love you more.

Though I know I'll never ever lose affection  
for people and things that went before,  
I know I'll often stop and think of them.  
But in my life I loved you more.  
I love you more.  
I love you more.
