

Bette Midler, Somewhere In My Memory

Long ago and oh, so far away
I fell in love with you
Before the second show
Your guitar, it sounds so sweet and clear
But you're not really here
It's just the radio
Don't you remember you told me you loved me baby?
Said you'd be coming back this way again maybe?
Baby, baby, baby, baby oh baby
I love you, I really do
Loneliness is such a sad affair
And I can hardly wait
To sleep with you again
What to say to make you come again
Come back to me again
And play your sad guitar
Don't you remember you told me you loved me baby?
Said you'd be coming back this way again maybe?
Baby, baby, baby, baby oh baby
I love you, I really do
