

# Bettie Serveert, 1 Off Deal

People on sidewalks  
Engaging in small talk  
And all I can think of  
"Mustard on your chin"  
And I can see that you're hiding  
Your serious side and  
I don't mean to pry  
But I know the state you're in  
This ain't no one off deal for me  
'Cos I know exactly what you need  
The people on sidewalks  
They don't know what they talk about  
I think it's a write off  
Pretending they're a scene  
And it's the odious seasons  
And all of the reasons  
You get down to see them  
See them on your knees  
This ain't no one off deal for me  
'Coz I know exactly how you're feeling  
I'm pleasing you, I'm pleasing me  
But don't think I don't know what I'm doing  
I see in me what I see in you and every other fool  
I'll leave it entirely up to you  
I'll leave it entirely up to you
