

Betty Boo, Doin' The Do

Betty Boo
Betty Boo just doin the do
and you are oh
and there's nothing you can do

I'm sorry if I upset ya
To get the better of me I wouldn't let ya
Any time of the day i'm gonna get ya
you come running to me yes I bet ya
Ain't going out like a sucker
No need to huff and puffa
Cause Baby I am tougher
Than you think, so you just gotta suffer

I'm sorry if I upset ya
To get the better of me I wouldn't let ya
Any time of the day i'm gonna get ya
you come running to me yes I bet ya
Ain't going out like a sucker
No need to huff and puffa
Cause Baby I am tougher
Than you think, so you just gotta suffer

Betty Boo
Betty Boo just doin the do
and you are oh
and there's nothing you can do
