

# Betty Boo, Hey Dj I Can't Dance (To That Music Y

I can't dance  
To that rhythm that you're been playing  
That style is over  
Sold out and atting  
Datting back and, yo, what's up?  
We used to shake it up, how dare you  
Ever care to play that trash?  
You better prepare to go away  
No more til for that chat  
Cos I can't dance for that

(chorus)

I can't dance  
To that music you're playing  
Stop, think it over the rhythm that you do  
I can't dance  
To that music you're playing  
You better get yourself together  
You better do it soon

I need a rhythm  
To be hype and thumping  
I want it hot  
Like it's chugging from an over  
I wanna be dancing and moving  
Betty Boo on the mic and oing the business  
So get with this  
Doing this in the flesh  
And you just can't resist  
From hosing and going out every night  
And Betty Boo's quite irritated  
You're terminated  
My mind's made up, can't be persuaded  
It lacks that certain push, that certain bread  
I've had neough, yes, I want to cuss  
So take your crusty beats with you  
And dust, cos lately  
You ain't been up to scratch  
And I can't dance for that

(chorus)

Boogie  
Came to your door, said you were busy  
You had a visit from your aunt Lizzy  
So what we did  
Was we postponed our dope beat session  
Till she'd flown home  
So I though I'd pratice all by myself  
But I realised I'd left  
My lyrics file on your shelf  
I couldn't believe at what I found  
Saw you and aunt Lizzy getting on down  
You can't imagine at what i saw  
It wasn't aunt OLizzy but a cheap dumb broad  
That was the last straw, wouldn't take no more  
Walked out the door, what tould I stay for?  
He lied, but never tried more interested  
In a bit on the side  
But never mind, I've got better things to do  
So all my best wishes, from Betty Boo

(chorus)

I can't dance  
To that music you're playing  
(I can't dance, no, baby)  
Stop, think it over the rhythm that you do  
(I can't dance to the rhythm that you do)  
I can't dance  
To that music that you're playing  
(I can't dance, no, baby)  
You better get yourself together  
You better do it soon

I can't dance to that
