

Betty Curse, Stay Out Of My Way

Who would ever think that you
Would deserve a girl like me
Treat me wrong the way you do
Don't Deserve a girl like me
Hey i'm not your slave
Hey and i'm not your maid
Wait why don't you stay
Stay stay out of my way
Who would ever think that I
Would be perfect with the guy
Who would lay down and submit
Always was a little prick
Hey your the slave
Hey your the perfect maid
Wait why don't you stay
Stay stay out of my way
Feels like somethings wrong
Don't it feel like someones gone
Feels like somethings wrong
Don't it feel like someones gone
Hey i'm not your slave
Hey and i'm not your maid
Wait why don't you stay
Stay stay out of my way
Hey your the slave
Hey your the perfect maid
Wait why don't you stay
Stay stay out of my way
Who would ever think that you
Would deserve a girl like me
Treat me wrong the way you do
Don't Deserve a girl like me
