

# Between The Trees, Scarecrow

Oh scarecrow it ain't so bad  
just try and fit in this hollow man  
cause you've traveled so far from where it all began  
maybe I wasn't made for this world x2  
all the space in between the soul and the seams  
maybe I wasn't made for this world  
I think I took the wrong path  
and I need to find my way back  
they say you're never too far to start it all again  
am i too far?  
maybe I wasn't made for this world x2  
all the space in between the soul and the seams  
maybe I wasn't made for this world  
Oh scarecrow  
oh scarecrow  
is it really that bad?  
oh scarecrow oh scarecrow  
is it really that bad?  
Maybe I wasn't made for this world  
maybe I wasn't made for this world  
all the space in between the soul and the seams  
maybe I wasn't made for this world x2  
all the space in between the soul and the seams  
maybe I wasn't made for this world.  
Oh scarecrow  
oh scarecrow  
is it really that bad?  
oh scarecrow oh scarecrow  
maybe I wasn't made for this world  
oh scarecrow oh scarecrow  
is it really that bad?
