

# Beverley Knight, Get Up

You stand tall while people sway  
(True to your self)  
Leave them fakers on the shelf  
(Heed your calling)  
Go and do your thing, I make I hear you say...

Get up, get up and hold your ground  
You don't care what goes around  
Stand up, stand up and hold your ground (stand up)  
Hold your ground  
Them no bigger than us  
No bigger than we  
No bigger than you  
No bigger than me  
Them no bigger than us  
No bigger than we  
No bigger than you  
No bigger than me (hey hey)

(Get up! Get up!)  
Yeah  
(You gotta gotta!)  
(Stand up! Stand up)  
Stand up on me  
(Get up! Get up!)  
Alright  
(You gotta gotta!)  
(Stand up! Stand up!)  
Yeah yeah  
Yeah, yeah, yeah, yeah, yeah, yeah

(Ah-ha, ah-ha, ah-ha)  
(Ah-ha-ah-ha-ah-ha)  
(Ah-ha, ah-ha)  
(Ah-ha-ah-ha-ah-ha)  
Get up and  
Stand up and  
Hold it  
Get up and  
Stand up and  
Hold it  
Feel it!

(Don't feel no shame)  
Let them know you're not the same  
(Don't feel no way)  
You stand tall while people sway  
(True to your self)  
Leave them fakers on the shelf  
(Heed your calling)  
Oh, go and do your thing, I make I hear you s-a-a-a-y...

Chorus (x2)
