

# Beverly Craven, You're not the first

Just because there are rules  
it doesn't mean the game is fair  
so you head the revolution  
in your own illusion of despair  
Where were you a year ago today  
don't lose your faith  
You're not the first  
and you won't be last  
someday all this pain will pass  
with someone to care for  
and be there for always  
When you kill the conversation  
and make it hard to say goodbye  
I just hate the situation  
but you get drunk and I'm just tired  
That was over years ago  
now I won't change my mind  
You're not the first  
and you won't be last  
someday all this pain will pass  
with someone to care for  
and be there for always  
You're not the first  
and you won't be last  
someday all this pain will pass  
with someone to care for  
and be there for always
