

# Beyoncé, Alien Superstar

Please do not be alarmed, remain calm  
Do not attempt to leave the dance floor  
The DJ Boot is conducting a troubleshoot test of the entire system

I'm one of one, I'm number one, I'm the only one  
Don't even waste your time trying to compete with me (don't do it)  
No one else in this world can think like me (true)  
I'm twisted (I'm twisted), I'll contradict it  
Keep him addicted, lies on his lips, I lick it

Unique, that's what you are

Feed you diamonds and pearls, ooh baby  
I'm too classy to be touched, I pay them all in dust

Look over my shoulder and you ain't scared  
The effects you have on me when you stare  
Head on a pillow, high, get in the air

I'm too classy for this world, forever I'm that girl  
Feed you diamonds and pearls, ooh baby

I got pearls beneath my legs, my lips, my hands, my hips  
I got diamonds beneath my thighs but his ego will find bliss  
Can't find an ocean deep and can't compete with a cinnamon kiss  
Fire beneath your feet, music when you speak, you're so unique
