## Beyoncé, Brown Eyes

Remember the first day when I saw your face? Remember the first day when you smiled at me?

You stepped to me, and then you said to me,

I was the woman you dreamed about.

Remember the first day when you called my house?

Remember the first day when you took me out?

We had butterflies although we tried to hide it,

And we both had a beautiful night.

The way we held each other's hand,

The way we talked, the way we laughed,

It felt so good to find true love

I knew right then and there you were the one

ooh oh oooh

I know that he loves me, cause he told me so

I know that he loves me, cause his feelings show

When he stares at me, you see he cares for me

You see how he is so deep in love

I know that he loves me cause it's obvious

I know that he loves me cause it's me he trusts

And he's missing me, if he's not kissing me

And when he looks at me his brown eyes tell his soul

Remember the first day, the first day we kissed?

Remember the first day we had an arguement?

We apologized, and then we compromised

And we haven't argued since

Remember the first day we stopped playing games?

Remember the first day you fell in love with me?

It felt so good for you to say those words

Cause I felt the same way too

The way we held each other's hand,

The way we talked, the way we laughed

It felt soo good to fall in love

And I knew right then and there you were the one ooh oh ohhwoah

I know that he loves me, cause he told me so

I know that he loves me, cause his feelings show

When he stares at me you see he cares for me

You see how he is so deep in love,

I know that he loves me cause it's obvious

I know that he loves me cause it's me he trusts

And he's missing me, if he's not kissing me

And when he looks at me his brown eyes tell his soul.

I'm so happy, so happy that you're in my life

And baby now that you're a part of me

You showed me,

Showed me the true meaning of love (the true meaning of love)

And I know he loves me

I know that he loves me, cause he told me so

I know that he loves me, cause his feelings show

When he stares at me you see he cares for me

You see how he is so deep in love

I know that he loves me cause it's obvious

I know that he loves me cause it's me he trusts

And he's missing me, if he's not kissing me

And when he looks at me his brown eyes tell his soul

He looks at me and his brown eyes...

Tell his soul
