

Beyoncé, DESERT EAGLE

Do-si-do, do-si-do
Do-si-do, do-si-do (Ooh)
Do-si-do, do-si-do

Soft to the touch, let you hold somethin'
Let you get a handful
Baby, she's a whole lot of woman
Soft kisses on some fat lips
It's yours, baby, you can crash here, come here
Cash out on a video
Make 'em cash out to see the rodeo, yeah
Put on a show and make it nasty
Desert Eagle in the backseat
Everything bigger in Texas
Big body, bust it open, feed you breakfast
Catch me in the bathroom on a sink tile
Baby, let me sink into your arms
Drink me 'til it's done, eat it up

Oh, keep your glass and let you love me like a lady, yeah
Do-si-do and it get creamy in the middle, yeah
One bite and the box is yours
Sugar high, you gon' want some more
Ah-da-do-si-do (Do-si)
Ah-da-do-si-do-si-do
Da-do-si-do (Do-si)
Ah-da-do-si-do (Do-si-do, do-si-do, do-si-do)
