

Beyoncé, I am leaving

[DJ Clue]

...Junior

New

Beyonc

It's called >I'm Leaving

Y'all really gon' hate me now

Huh, envy

[Beyonc]

When I First met u

U told me exactly how it would be

U had a lady

And couldn't spend all ur time with me

I only wanted to kick it

So i said boo u can keep her

Long as u satisfy me

But as the weeks went by

I, I started feeling strange

Sumthin was deep in my heart

Sumthin I can't explain

I think I'm fallin in love with u boy

I'm needin u so much

I'm cryin just 2 feel ur touch

I gotta leave u

I didn't want a man

I didn't wanna fall in love and

I didn't care about ur girl

I didn't care how we would end up

But that was then this is now

I think i'm experiencing love

I don't wanna wreck up ur heart

That's why i'm convinced

I gotta go

When I First met u

U told me exactly how it would be

U had a lady

And couldn't spend all ur time with me

I only wanted to kick it

So i said boo u can keep

As Long as u satisfy me

But as the weeks went by

I, I started feeling strange

Sumthin was deep in my heart

Sumthin I can't explain

I think I'm fallin in love with u boo

I'm needin u so much

I'm cryin just 2 feel ur touch

I gotta leave u

Every time she calls u expect

Me 2 dissapear like we never met

At first i didn't mind

But now i, sometimes feel like ur all mine

U told me it was all about me, me, me

It's not about me if u're still with her

Now i realized that i gotta move on

It might be hard but, i

I gotta move on

When I first met u

U told me exactly how it would be

U had a lady

And couldn't spend all ur time with me

I only wanted to kick it

So i said cool u can keep her

As long as u satisfy me

But as the weeks went by

I, I started feeling strange
Sumthin was deep in my heart
Sumthin I can't explain
I think I'm fallin in love with u boo
I'm needin u so much
I'm cryin just 2 feel ur touch
I gotta leave u
I gotta leave u
(I gotta leave u)
I gotta leave u
(i gotta leave u)
Said I gotta, gotta leave u
(I gotta leave u)
Gotta leave
