

Beyoncé, I'm alone now

It really hurts to say this , yes it does.
But after a while sweet love just aint enough.
So many settle for less just because, maybe im more in love with what it was.
But what gets so confusing, baby,you want me.
Its been so much confusion lately, you couldnt see that you were loosin me.
Well im alone now, but i aint lonely.
Im on my own now, but i aint the only.
Honestly im tryna take this time to concentrate on me.
And ive got possibility to keep me company.
Wont you just assume he dosent care.
So when turn to lies it all just feels infair.
Why adjust the problem so that hes aware.
But i still feel all alone even when hes there.
Maybe we can fix it baby,i know we can.
And if i make you miss it baby, maybe you would understand.
That im alone now, but i aint lonely.
Im on my own now, but i aint the only.
Honestly im tryna take this time to concentrate on me.
And ive got possibility, to keep me company.
La la la la la la la la la, la la la la la la la la laaaaa laaaa.
Well im alone now, but i aint lonely.
Im on my own now, but i aint the only.
Honestly im tryna take this time to concentrate on me.
And ive got possibility, to keep me company.
