## Beyoncé, TYRANT

Cowboy Carter Time to strike a match And light up this juke joint

One-one-one by one, you hang them high Your hands are steady and you sleep at night How did you turn your heart to stone? I don't want him back, but I can't let go Hangman, answer me now You owe me a debt, you stole him from me I hated you once, I envy you now Just tell me how, tell me how

(D.A. got that—)

Oh, she got that water, hangman got that water Don't act like you don't know, giddy up, giddy up (d.a. got that dope) Don't pay me in gold, giddy up, giddy up Back outside, I'm on the road, giddy up, giddy up When the sun goes down (It's night-night, hey) Can hear her body howl (In the moonlight, hey) I feel her eyein' me like owls (It's on sight, hey) Hide your man when the hangman come in town

She's a tyrant every time I ride it, every time I ride it Make it look so good, try tojustify it Boy, I know they're lookin' for me, how we're gonna hide it? Ride it like hydraulics, I am such a tyrant Every time I ride it, every time I ride it I don't like to sit up in the saddle, boy, I got it Just relax, I got this, I got that exotic Hips are so hypnotic, I am such a tyrant

Send me some shots, are you with me or not? Throw it back Shoot up the bar Then tellin' all we don't remember nothin' after that Scot-free (Scot-free), whole city after me Have you seen her? 5'9", thick and fine, what a tragedy Hey, hey, ridin' you while we tryna get away Ridin' you while we tryna catch a wave That's so sexy and I know it, and I ain't afraid to show it Baby I'm goated, baby, I'm glowin' Hey, hey, on the run, run Tap me on the shoulder when you reload the gun

Tyrant every time I ride it, every time I ride it Make it look so good, try to justify it Boy, I know they're lookin' for me, how we're gonna hide it? Ride it like hydraulics, I am such a tyrant
