

# Beyoncé, Wishing on a star

Ooh

Ooooooh.

Star.

Star.

I'm wishing.

I'm wishing.

On a star.

Chorus:

I'm wishing on a star.

To follow where you are.

I'm wishing on a dream.

To follow what it mean.

And I'm wishing on the rainbows that I see.

I'm wishing on the people who really dream.

And I'm wishing on tomorrow rains never comes.

And I'm wishing on the other things we never done.

Verse:

I never thought I'd see the time when you would be.

So far away from home.

So far away from me.

Just think of all the moments that we spent.

I just can't let you go from me, we were meant.

I didn't mean to hurt you, but I know.

In the game of love, you reap what you sow.

( So-o-o-o-w)

Breakdown:

I feel it's time we should make up baby.

I feel it's time for us to get back together.

And make the best of things, oh baby.

When we're together.

Whether or never.

I feel it's time we should make up baby.

I feel it's time for us to get back together.

And make the best of things, oh baby.

When we're together.

(Let's get together, baby.

Whether or never.

Chorus 2:

I'm wishing on a star.

To follow where you are.

I'm wishing on a dream.

To follow what it means.

And I'm wishing on the rainbows that I see.

I'm wishing on the people who really dream.

Hoping all the days to come and days to go.

Hoping on the days of loving, loving you so.

Bridge:

Baby, forgive me.

Lets make up, I'm sorry.

Lets be together, breakup?

Never.

The love we have seems special so far

Til we get back from wishing on a star.
