

# Bianca Ryan, Dream In Color

Ooh, hoo...yeah  
Mmm, hmm

Tired of living life in black and white  
There's so much in between  
Like a rainbow in the sky  
Crying to be seen

When I open my eyes to find inspiration  
I search for the best I can see  
If I settle for less  
I won't be the best I can be

When I dream, I dream in color  
There is so much I want to discover  
I'll give you so many good reasons  
To capture a dream, yeah, yeah

Life is short, but can't be bought, mmm  
And time is a very precious thing  
I want to go to where I've never been  
And see what's never been seen

In the midst of the morning I won't take for granted  
There'll always be another new day  
Got to live for each moment  
Never let time slip away

When I dream, I dream in color  
There is so much I want to discover  
I'll give you so many good reasons  
To capture a dream, whoa...

If I was unaware, if I didn't care  
About people and places and things  
How could I live a life full and satisfied  
Now knowing how to dream  
When I dream, oh, yeah

When I dream, I dream in color  
There is so much I want to discover  
Show me a child who never has seen  
A vision that shows what his life really means  
I'll give you so many good reasons  
To capture a dream
